MM 550 TRAVEL

5-star luxury for music and calls

The new 5-star flagship for the award-winning Mobile Music wireless series, the MM 550 TRAVEL offers audiophile travelers a luxury headset experience anywhere in the world.

Enjoy music or calls with Sennheiser sound even in noisy locations – thanks to extra-large ear cups, active noise cancelation and SRS Labs' new SRS WOW HD™ technology.

- **Noise canceling clarity** – NoiseGard™ 2.0 reduces outside noise actively and lets users enjoy music in peace
- **Wireless freedom** – Stereo Bluetooth® for hands-free convenience and optimized hi-fi stereo sound
- **TalkThrough** – one press of a button turns on the external microphone so you can talk to fellow passengers or the flight attendant without removing the headset
- **Invisible microphone** – for crystal-clear conversations
- **Superb Sennheiser stereo sound** – neodymium magnets and patented Duofol diaphragms for excellent sound reproduction
- **SRS WOW HD™ technology** – for wider, taller sound, with greater clarity and with a stronger bass
- **Large comfortable ear cups** – for complete relaxation and luxury in noisy surroundings
- **Direct cable option** – for use on airplanes, with supplied airline adapters
- **Easy headset controls** – integrated track and volume controls for enhanced usability and convenience
- **Collapsible** – metal-reinforced headband ensures portability and durability
- **Carry case** – protective carry case for traveling
- **Peace of mind** – thanks to the 2-year international warranty
